Spring Issue
April 2011

A Letter From Your Directors

The warmer weather has arrived along with the longer days. We have started to prepare the camp for your arrival. There is a lot to do. We have been very busy making sure that the summer of 2011 will be better than ever! **This summer marks our 41st summer of BIG LEAGUE FUN and we have many exciting events planned!**

We have hired **the best** staff for your Camper. Many counselors are returning and there will be some new faces at camp as well. We are very proud that at **ILDC**, experienced adult instructors teach and lead the Camp activities. This insures that your Camper is taught swimming, creative and athletic skills **correctly and in the safest way**. Your Leadership Team is here to serve your child and communicate to you about how your Camper is progressing at Camp.

The Leiser Family eagerly awaits your arrival and looks forward to the laughter and smiles that permeate the campus. Should you have any questions or concerns throughout the Spring, please call us. You will be receiving more information as we get closer to Camp.

Wishing you all a healthy and productive Spring.

Yours in camping,
The Leiser Family
