A Letter From Your Directors

Welcome Staff!!

The warmer weather has arrived along with the longer days. We have started to prepare the campus for your arrival. We have been very busy making sure that the summer of 2009 will be better than ever!

Before you know it you will be embarking on an exciting challenge. Taking care of other people's children at **ILDC** is a great challenge and something we spend a lot of time every year preparing for! We take this challenge very seriously and know that you share the same feelings (we always tell parents that at **ILDC** we specialize in "**serious fun**"). We are extremely confident that we have selected the best Camp Staff - **YOU!!!**

In order to be ready for the first day of Camp we all have to work together. You should have received a **Staff Orientation** schedule. Please take the time to review it and mark the dates on your calendar. It is **imperative** that you be here on **ALL** the dates indicated, so that you will learn and/or refresh your skills. By preparing properly before Camp starts, you will know what to do, what changes have taken place at Camp and where to get help if you have a problem. If you are properly prepared for your job, campers will adjust much better to Camp life and you will have a MUCH easier job.

We look forward to seeing you soon and hope that you enjoy the Spring Season. We are here at Camp should you have a question or concern.

Yours in camping,

The Leiser Family
Ron, Sandy, Jon, Evan, Marissa, Alyse, Jacob, Sam and Genna Leiser
