

Off-Campus Electives

3rd Grade Campers

Week 2 – Wednesday, July 5th
Periods 8 - 11 (1:00 - 3:00 PM)

Please rank your 1st, 2nd, and 3rd choice.

ILDC will enroll campers in Off-Campus Electives on a first come, first serve basis. If a child's first ranked elective "closes" out due to space and availability, we will assign them to their second or third choice. In this event, we will do our best to accommodate a camper's first request the following session. If you have any questions, please call and discuss with your division leader.

All off-campus electives will be supervised by ILDC adult staff.

This program is optional. Those campers not interested will be able to stay at camp and choose in-camp electives. There is no additional charge for off-campus electives.
