

Off-Campus Electives

4th and 5th Grade Campers

Week 2 – Wednesday, July 5th and Thursday, July 6th
Periods 8 - 11 (1:00 - 3:00 PM)

Please rank your 1st, 2nd, and 3rd choice.

ILDC will enroll campers in Off-Campus Electives on a first come, first serve basis. If a child's first ranked elective "closes" out due to space and availability, we will assign them to their second or third choice.

In this event, we will do our best to accommodate your camper's first request the following session. If you have any questions, please call and discuss with your division leader.

All off-campus electives will be supervised by ILDC adult staff.

This program is optional. Those campers not interested will be able to stay at camp and choose in-camp electives. There is no additional charge for off-campus electives.
