Ivy League campers loved to play,
Outside on the fields every day.
We loved color war in green and white,
Each team had a blast and put up a good fight.
Going to the carnival was lots of fun.
We enjoyed the rides and games in the warm summer sun!
It's hard to believe that 8 weeks are through,
Spending time together was our favorite thing to do.
In the end, it will be hard to say goodbye,
Our great camp friendships made the days fly by.
Super counselors we'll miss because they were first rate,
Athletics, creative, and waterfront made our days great!
Wishing the entire staff and campers a fabulous school year,
We'll be together before you know it, so don't shed a tear!
Peace, Love, and Camp
XOXO
Monica

GOODBYE FROM OUR SUPERVISORS

Janis Ventre

Mini & Preschool Supervisor

The days of summer went by so fast,
But our memories at Ivy League will surely last.
Our Mini Day children are as sweet as they come,
And made each day they were in camp the
happiest ones!

Our Preppys, so precious,
And although camp is done,
WE hope to see them next summer,
For more BIG LEAGUE FUN.
Our Sophs enjoyed every day,
Whether swimming or playing
They are stars in every way!

Our Fantasy campers had a real blast,
It is hard to believe that the days went so fast!
My Pre-Schoolers are the best campers of all,
Swimming, crafting, or just laughing,
Each one had a ball.
American and Lehigh are the cutest you'll meet,
In the playground or on the fields,
They are all so sweet.

UCLA and Penn are as cool as can be,
The most awesome campers that you'll ever see.
The counselors and the specialists were amazing
And always ready for fun,
While watching and caring for everyone.
Our summer was super and although it is through,
I can't wait for summer 2019
When I'll be back again with you!

Sharon Katzanek

K-2nd Boys Supervisor

We are so sad that the summer is done,
Big and Little League Games, crafts, sports, and
swimming were a lot of fun.

The Pop Culture Carnival was such a blast,
Brown and Villanova made memories
that will always last.

Cooking, Gymnastics, Soccer, and being in the
play were really great.

Duke and Princeton loved choosing options that
were first rate.

At our ice cream social, Columbia and Dartmouth
had a ball,
Kindergarten, 1st, and 2nd grade boys, I am going
to miss you all!

To my counselors, what can I say,
You give your all, each and every day.
You make my job easier because of what you do,
You are amazing and I want to say, THANK YOU!

The end of the summer is very near,
Everyone have a fantastic year.

Can't wait for next summer to begin,
So I can see you all smile and grin!

GOODBYE FROM OUR SUPERVISORS

Kami Goldberg

K-2nd Girls Supervisor

Summer 2018 has flown by so fast,
At Ivy League, we've all had a blast.
Every day we had more and more fun,
Whether playing indoors or out in the sun.
We loved the Euro Bungee and the Ivy Tower too,
The K-2nd grade girls loved all there was to do.
Rutgers was happiest when they were in the pool.
In the car wash and splash park, the girls stayed cool.
Emory girls were true gymnasts at heart.
At art expressions, Syracuse always did their part.
At Little League Games, Wellesley played their best.
For special events, we all did dress.
On the soccer field, Holyoke did shine,
At Kits n' Crafts, Barnard was first in line.
All of my campers are special to me,
K-2nd grade girls are as cute as can be.
So have a great school year and let's all meet again,
At Ivy League Day Camp where the fun never ends!

Jeff Sheiner

3rd-5th Grade Supervisor

The Spring in The Big League Fun machine has unwound. The Upper Division has had a great summer in all of it's activities; making new friends, going on trips, and just having a great fun filled summer! So as the Summer at Ivy League comes to an end we must start to rewind the spring that runs the Ivy League Fun machine! To all our campers, have a GREAT school year!! Stay happy, healthy, and safe! See you next summer!! Before you know it, the summer of 2019 will be here and we will all be back at camp having another FANTASTIC summer!

James Wesley

Travel Supervisor

Although 39 days of big league fun has finished for the 2018 summer, we did many amazing things! We went on an Ivy League adventure to the quarry. We journeyed to Medieval Times where the Blue Knight was finally victorious and Ivy League returned as champions. We kept cool in the waters of Hurricane Harbor, Funplex, and Seaside Waterworks. Speaking of water we explored the ocean on "The Beast" where we dove the ocean depths to find a sponge who lives in a pineapple under the sea, when we went to Broadway. When we were not on our amazing adventures abroad, we were at camp making more memories to carry-on with us for the rest of our lives. Although summer is coming to a close and we go back to school for the year, all of our amazing adventures give us something to look forward next year for 2019! Can't wait to see you next year for some BIG LEAGUE FUN!

GOODBYE FROM OUR SUPERVISORS

Monica Tobio

L.I.T. Supervisor

As the summer comes to an end, we reflect back on all the BIG LEAGUE FUN the LIT's had this summer. It ended with a fantastic FAREWELL BONFIRE after an amazing day at Hurricane Harbor. It was great as we all got to hang out one last time as one group making delicious s'mores. At camp, we remember the activities we participated in such as options, electives, Big League Games, Carnival, and most important, COLOR WAR! I hope everyone enjoys the last days of summer and has a great school year. We look forward to seeing everyone again in the **Summer of 2019 for more BIG LEAGUE FUN!**

Raquel Longo

On behalf of the entire swim staff, we would like to thank our Ivy League families, supervisors, and counselors for a wonderful summer!! We are so proud of our swimmers for all their hard work each and every day in the pools!!! They have learned so much in their swim lessons and practiced pool safety ALL summer!! We wish everyone the best of luck during the school year! We can't wait to see you back in the Ivy League pools next summer!!!!

Justin Schmid

Another summer has flown by and it was yet again AWESOME!! Let's recap some of the achievements that were accomplished out on the fields this summer! Yellow Michigan won the March Madness Tribal War Competition. It came down to an epic battle at Basketball Connect 4 against Villanova. The Big League game winners were: 2nd/3rd Grade-NY Jets, 4th/5th Grade-Washington Capitals, and Travel Campers -Alabama Crimson Tide. The World Cup Winners were: 1st Grade- Saudi Arabia, 2nd/3rd Grade- Nigeria, 4th/5th Grade- Switzerland, and Travel- Mexico. The Penultimate moment of camp came when the Green Grinch stormed back from behind to sweep sing/plaque/chant and defeat White Cat in the Hat in COLOR WAR!! Here's to another fantastic summer in 2019!! :)

I can't believe how quickly the past 8 weeks have gone! The health office was always a busy location. We have seen so many of your wonderful children for anything from bumps and bug bites to eye flushes and fevers! Whatever the reason, we were always happy to help and send them back to their activities smiling. We wish you all a very happy and healthy school year. **Please check your child's backpack for any medications that were here at camp!**

HELLO FROM SOME OF OUR GROUPS!

Holyoke

The Holyoke girls always have so much fun,
Swimming and gymnastics are our #1's!
The carnival left us with prizes galore,
We can't wait to see what next year has in store!!!
WE LOVE IVY LEAGUE!!

Radcliffe

Summer 2019 was truly the best,
Ivy League Day Camp beats the rest!
The Radcliffe girls always have fun,
And are so sad the summer is done!
The Carnival was one of the best days,
We finally got to see those sun rays!
No Matter what we did it was cool,
We wish everyone good luck this year in school!!

Princeton

Week 8 at Ivy League was a blast,
It's too bad that camp went by way too fast!

At the carnival we played games and went on rides,
We also enjoyed snacks and went down slides!

Princeton ran the bases at wiffleball and played laser tag one last time,
We also rode the go-carts and made lots of slime!

Although the summer went by with a lot to have seen,
We can't wait for the summer of 2019!

Yale

This summer the Yale boys had so much fun,
We are so sad to say it's done!
All the special events were a real treat,
Summer 2018 cannot be beat!
Color War, March Madness, Sci-Fi Week, and all the rest,
We can't forget all the other activities, they are the best!!
We are so sad it's almost time for school,
But we know summer 2019 will be SUPER COOL!
