**IVY LEAGUE
CAMPERS ARE
OUT OF THIS
WORLD!**

From Your Owners

Wow, what an awesome Sci-Fi week we had.
From the Planetarium show to the Swim Meets
Seeing happy campers, made us so glad.

Thank you to all the parents who came to parents night.
Swimming, singing, dancing, and performing for you,
Your campers glowed and shined so bright.

The craziness of colors is on its way.
Campers will look like a colorful rainbow,
With a beaming smile on their face always.

This summer is going by way too fast,
Celebrating our 5 years and 5 year plus members
For creating memories at ILDC that will forever last.

We hope you can make it to Family Fun Day on Sunday from 12-4.
Bring family and friends to enjoy the day,
To see all the Big League Fun we have in store!

Yours In Camping,

The Leiser Family

HELLO FROM OUR SUPERVISORS

Rick Schmid
Camp Director

Week #4 was a ton of fun,
With the biggest hit being Water Fun Day!
It's Ivy League Action on the fields and in the pools,
And the creative areas are always really cool.
Alls' I can say is there's more fun on the way,
Our camp spirit abounds with every hip, hip, hooray.
Next week, will truly be insane,
With a camp Color Run and World Cup Games!!

Monica Tobio
Head Counselor

Sci-Fi week was our craziest week yet.
Fantastic foam pits and Water Fun Day kept us all wet.
Late nights for parents and Sci-Fi drive-in too,
During week 4, there was so much to do.
World Cup Competitions and Kindness Day are just around the bend.
Our Color Run Monday will be a rainbow of excitement from beginning to end.
Hold onto your seats, there's so much more to come.
Week 5 will offer so much more Big League Fun!!

HELLO FROM SOME OF OUR GROUPS!

Sophs

Planetarium Show, Drive In, Water Fun,
and Crazy Hair Day, Oh My!

Ivy League Day Camp Week of Sci-Fi!
Sophs and their friends from Lehigh
enjoyed all events together,

New buddies, great friendships to last
forever!

Looking forward to more exciting fun days
in the sun,

Sophs, the mini day group, ALWAYS #1!

Emory

Emory Girls are born to be great.
Everything they do is always first rate.
They swim in the pools and soak up the sun.
They're on their way to number one.
Riding on the bumper boats
Makes their day stay afloat.
Jumping on the gymnastics mats,
They are like little acrobats.
Singing and dancing in music,
They are always jumpin' and jivin' to it.
The girls are always excited to get crafty,
Arts and Crafts truly makes them super happy.
They end each day with an ice cream snack,
And go home every night and can't wait to come
back!

Penn

Penn is having a summer blast.
We're sad this summer is going so fast.
From climbing in Ivy Tower to playing with clay,
All these activities, our days are never gray.
Going to camp is always so much fun,
We are always worn out when the day is done.
Our favorites include splash park and ropes,
We also really enjoy bumper boats.
From wacky science to splashing in the pool,
Spending time in the Bounce House is always
super cool.
From ziplining across camp to dancing in PA,
We always want summer to stay!
P.E.N.N. that spells Penn,
The cuties of Penn never want summer to end!

HELLO FROM SOME OF OUR GROUPS!

Villanova

Villanova is having a blast this summer.
If we didn't come to ILDC, it would be a bummer.
We all love going swimming in the pools.
Especially on Water Fun Day that's really cool.
We all enjoy going in the splash park,
And enjoy seeing our mascot, Buddy, especially when he doesn't bark.
In Ivy Town, they play with blocks.
We have so much fun, we don't even check the time on the clock.
They are all little athletes in basketball.
They will never forget these memories, even when they grow tall.
In Gymnastics, they love to bend.
Hopefully, this summer will never end.

Tufts

Sci-Fi week is now becoming a thing of the past,
Being inside a planetarium turned out to be a blast!
Tufts' parents night was far from a mess,
Singing, dancing, or acting was a huge success.
Water Fun Day was the highlight of the week,
Enjoying all the fun and cool rides, boy was that neat!
This week, we experienced all the crazy hair,
Now it may sound like this is some repetition,
But now we send you into next week for our World Cup Competition!

LIT

Our LITs have been busy learning the ropes at ILDC. They've done an outstanding job helping their counselors meet the needs of each and every camper. They have weekly opportunities to enjoy LIT group electives and options. The LITs are looking forward to their trip to Medieval Times! It's hard to believe that the summer is half over. We truly are making memories that will surely last a lifetime!

ON THE FIELD AND IN THE POOLS

On the Fields

The force was strong out in the fields as Sci-Fi week concluded as did the first half of the camp season. Let's hop in the DeLorean and look back on the first half! Big League Games is off and running as the Knicks lead the 2nd/3rd grade division, Astros for 4th/5th, and Stanford for Travel. The University of Michigan won the March Madness Competition in a hoop-filled fun day! We're only getting started as FUN always finds a way at Ivy League Day Camp!

In the Pools

This week on the waterfront we had water fun day! Our campers had so much fun on the blows ups and slides. Also during week 4, we had our camp wide swim meet! Our campers competed for first, second, and third place medals. Everyone received a ribbon for participating! We can't wait to continue fun swim activities throughout the summer.

COOKING

Rachel

From a galaxy far away
Cooking has come to say "hey"
Galaxy donuts to Cups of Dirt
Makes your camper feel like Captain Kirk
Sweet or savory, we love a treat
Cooking at camp can't be beat

Dirt pudding cups recipe

Ingredients:

Oreos

Chocolate pudding

Whipped topping

Gummy worms

Instructions:

1. Place Oreos in a large ziplock bag and use a rolling pin to crush them into small pieces.
 2. Mix equal portions of pudding and whipped topping.
 3. Add half the bag of Oreos
 4. Gently stir everything together until the streaks of whipped topping disappear and the cookies are well mixed into the pudding.
 5. Divide the mixture evenly between cups—you can fill however you like. I use a large ice cream scoop because it's neat and fast.
 6. Insert gummy worms into the pudding and pour remaining cookie crumbs over the pudding.
- Enjoy
