Ivy League is family owned and operated by the Leiser family. Ivy League is the **ONLY** day camp in the Manalapan/Marlboro area accredited by the ACA (American Camp Association) and has been for over 40 years!

The owners/directors are onsite and available daily for parents year-round. All swim instructors are Red Cross certified. All athletic staff are adult educators and teach skills and sportsmanship. Pre-school division groups are led by adult staff; many of which are Ivy League Pre-School teachers during the school year. Our supervisors have a combined total of over 350 years of ILDC experience.

Why Choose Ivy League?

Our facility has age-appropriate athletic fields, large indoor air-conditioned activity rooms and Field House, 4 heated pools, Splash Park, Kid Car Wash, large bumper boats pool, and hot lunch daily with a variety of healthy choices. Ivy League offers programs for 2-14 year olds including Mini Day, Full Day, Teen Travel, and Teen Leadership. All 2nd-9th grade campers have daily choices of activities and participate in Big League Games which emphasizes sportsmanship, game situations, and teamwork.

We provide door to door and central air-conditioned bus transportation. All of our bus drivers are employed by camp and not a bus company. To stay fresh and alert, all bus drivers do not have any other daily duties at camp. All buses are staffed with a bus counselor assisting campers on and off the bus.
